

DATA LOSS PREVENTION FOCUSED CONSULTANCY

The Problem

Organisations are often vulnerable to data loss due to inadequate visibility, weak classification, and poor sharing restrictions. Without a strong data protection framework, sensitive information is at risk of unauthorised access, accidental deletion, or malicious exfiltration. This can lead to regulatory penalties, reputational harm, and operational disruptions.

The Solution

The Data Loss Prevention (DLP) Consultancy service from HANDD Business Solutions (HANDD) helps organisations establish a robust data protection framework. HANDD works closely with your team to address all aspects of data security, from identification to lifecycle management, ensuring sensitive information is protected effectively.

How does HANDD's Data Loss Prevention Focused Consultancy Service work?

Our DLP Focused Consultancy Services include:

- A detailed report identifying your data assets, including unapproved or underutilised ones.
- A tailored framework categorising your data, enabling precise protection measures.
- A documented map of data ownership and stewardship, ensuring accountability and access control.
- A formal procedure for managing and auditing data access requests.
- Standardised guidelines for handling, storing, and distributing sensitive information.
- A policy document outlining archival, disposal, and compliance reporting standards.

Key Features and Benefits:

- **Visibility into all data assets**
- **Effective data categorisation for secure handling**
- **Clear data ownership and accountability**
- **Proactive access permission management**
- **Comprehensive data lifecycle management policy**
- **Compliance-aligned data management practices**

Why Choose HANDD?

With extensive experience in data security and compliance, we provide a tailored approach to meet your unique needs. Our expertise helps build robust, compliant data protection frameworks through comprehensive services from data identification to lifecycle management.

This service is charged at 10 days of Professional Services, day rate applicable. To discuss your requirement, get in touch at info@handd.com.my
